Department of Computer Science and Engineering

First Quarter E – Newsletter -2023

Head of the Institute	Message
 Dr. Anand Deshpande Principal & Director, AITM	An Institute is assessed on the basis of the Academic ambiance and outcome of the system in terms of performance and achievements of the students and staff in teaching-learning, research, innovation, Placements, and results. AITM has been known for its Academic credentials coupled with holistic growth in all directions. The new generation of competent minds must imbibe knowledge and practically they should comprehend the art of balancing brilliant technical, managerial communication, and interpersonal skills, nest. The Institute has achieved a series of milestones with the help of brilliant students, dedicated staff, and encouraging Management. We promise a wonderful experience of rich Academic and Excellent facilities coupled with professional practices and blended with an affectionate concern for our Students.
Head of the Department	Message
 Dr. Dhanashree Kulkarni HOD	Welcome to the Department of Computer Science and Engineering. In this department we create future computer engineers and responsible citizens. Here, a student gets the opportunity to excel in his academic activities. This is one of the very few departments where undergraduate students publish papers in international journals. At the same time, a student wishing to achieve some recognition in extra-curricular or co-curricular activities will also find the atmosphere helpful. The Department of Computer Science provides an environment to students motivating them to adopt a “want to learn” culture through state of art infrastructure. We offer the best teaching methodologies through class room and laboratory exercises and cultivate a mind-set among students to be inquisitive.

Institute Vision and Misssion

Vision:

To become a premier institute committed to academic excellence and global competence for the holistic development of students.

Mission:

- M1: Develop competent human resources, adopt outcome-based education (OBE) and Implement cognitive assessment of students.
- M2: Inculcate the traits of global competencies (such as domain expertise, Accountability, ethics, problem solving ability, communication skills, leadership Qualities and life-long learning) amongst the students.
- M3: Nurture and train our students to have domain knowledge, develop the qualities of global professionals and to have social consciousness for holistic development.

Department Vision and Mission

Vision:

To impart quality education in Computer Science and Engineering with emphasis on professional skills to meet the global challenges in IT paradigm.

Mission:

- M1: Impart knowledge in current and emerging computing technologies by adopting various pedagogical approaches.
- M2: Develop a conducive environment to inculcate and nurture analytical and communication skills along with societal and ethical responsibility in all professional endeavors.
- M3: Enable students to be successful globally by being effective problem solvers and life-long learners.

AITM

Inauguration of “Association of Computer Engineers- ACE-2K23”

Department of Computer Science and Engineering Inaugurated the Association of Computer Engineers (ACE-2K23) was held on 01st February 2023. Dr. D. H. Rao, Professor and Academic Advisor, AITM was the chief guest, Dr. Anand Deshpande, Principal & Director of AITM, Prof. Dhanashree Kulkarni, Head of Department, CSE, Prof. Gautam Dematti, Association coordinator, Mr. Vikas and Miss Nikita, Student ACE coordinators presided the function.

The event marked the onset of the departmental activities and also the Fresher's day of the 3rd-semester students of the 2023 batch.

Dr. D. H. Rao Sir motivated the students to follow their passion, dream and have the will to achieve them, which is the key to success.

Dr. Anand Deshpande, Principal and Director, AITM addressed the students and motivated them to participate in co-curricular activities conducted by the department which shall help them to gain various skills and get out of their comfort zone. The events will help students to explore their technical skills, showcase their talent in cultural and technical events and boost their confidence, communication and interpersonal skills.

Webinar on “Introduction to Virtual Labs” in association with NITK Surathkal

Department of Computer Science and Engineering (CSE), Angadi Institute of Technology & Management-AITM, Belagavi organized a Webinar on “Introduction to Virtual Labs” in association with NITK, Surathkal by the Resource person Mrs. Vismaya, Senior Research Fellow, NITK Surathkal and the Virtual Labs Team, Working at Centre for System Design, NITK Surathkal on 23.02.2023.

The motive of the event was to bring out the awareness about the Virtual Labs and its Application in Real-Time. Mrs. Vismaya highlighted about having the front-line knowledge about Simulating the tools, equipment, tests and procedures used in various engineering departments.

Project Exhibition "Ingenious 2023"

On the occasion of "National Science day" Department of Computer Science and Engineering Angadi Institute of Technology and Management -AITM, Belagavi is organizing a Project Exhibition "Ingenious 2023" on 28th February 2023.

Faculty Achievement

1) Mr. Gautam Dematti Assistant Professor, Computer Science and Engineering Angadi Institute of Technology and Management – Belagavi was invited as Resource Person to deliver talk on “Virtual Reality & Augmented Reality” for Institute of Engineers (India) Local Chapter, Belagavi on 11 February 2023.

The topic on “VIRTUAL REALITY & AUGMENTED REALITY” has made a good impact on the fraternity of engineers.

2) Mr. Gautam Dematti Assistant Professor, Computer Science and Engineering Angadi Institute of Technology and Management – Belagavi was received an ‘Honorary Award’ from Mrinalini English Academy on their Successful Silver Jubilee Celebration on 1 January 2023.
