Head of the Institute	Message
 <p>Dr. Anand Deshpande Principal & Director, AITM</p>	<p>An Institute is assessed on the basis of the Academic ambience and outcome of the system in terms of performance and achievements of the students and staff in teaching-learning, research, innovation, Placements, and results. AITM has been known for its Academic credentials coupled with holistic growth in all directions. The new generation of competent minds must imbibe knowledge and practically they should comprehend the art of balancing brilliant technical, managerial communication, and interpersonal skills, nest. The Institute has achieved a series of milestones with the help of brilliant students, dedicated staff, and encouraging Management. We promise a wonderful experience of rich Academic and Excellent facilities coupled with professional practices and blended with an affectionate concern for our Students.</p>
Head of the Department	Message
 <p>Dr. Dhanashree Kulkarni HOD</p>	<p>Welcome to the Department of Computer Science and Engineering. In this department we create future computer engineers and responsible citizens. Here, a student gets the opportunity to excel in his academic activities. This is one of the very few departments where undergraduate students publish papers in international journals. At the same time, a student wishing to achieve some recognition in extra-curricular or co-curricular activities will also find the atmosphere helpful. The Department of Computer Science provides an environment to students motivating them to adopt a “want to learn” culture through state of art infrastructure. We offer the best teaching methodologies through class room and laboratory exercises and cultivate a mind-set among students to be inquisitive.</p>

Institute Vision and Mission

Vision:

To become a premier institute committed to academic excellence and global competence for the holistic development of students.

Mission:

- M1: Develop competent human resources, adopt outcome-based education (OBE) and Implement cognitive assessment of students.
- M2: Inculcate the traits of global competencies (such as domain expertise, Accountability, ethics, problem solving ability, communication skills, leadership Qualities and life-long learning) amongst the students.
- M3: Nurture and train our students to have domain knowledge, develop the qualities of global professionals and to have social consciousness for holistic development.

Department Vision and Mission

Vision:

To impart quality education in Computer Science and Engineering with emphasis on professional skills to meet the global challenges in IT paradigm.

Mission:

- M1: Impart knowledge in current and emerging computing technologies by adopting various pedagogical approaches.
- M2: Develop a conducive environment to inculcate and nurture analytical and communication skills along with societal and ethical responsibility in all professional endeavors.
- M3: Enable students to be successful globally by being effective problem solvers and life-long learners.

Talk on “Awareness on Outcome-Based Education (OBE)”

The Department of Computer Science and Engineering at Angadi Institute of Technology and Management (AITM), Belagavi, in collaboration with the AITM ACM Chapter, successfully organized a talk on the topic “Awareness on Outcome-Based Education (OBE)” on Thursday, 16th January 2025. This event was aimed at equipping faculty members with a comprehensive understanding of Outcome-Based Education (OBE) learning methodologies, which are an essential component of the NBA accreditation process.

The session was graced by the esteemed presence of the resource person, Dr. D. H. Rao, Academic Advisor, AITM. Dr. Anand Deshpande, Principal & Director, AITM and Dr. Dhanashree Kulkarni, Head of Department of Computer Science and Engineering and Dean of Academics, AITM. Dr. Rao Sir provided invaluable insights into the principles and implementation strategies of OBE, emphasizing its significance in enhancing the quality of education and aligning academic programs with industry and societal needs.

During the session, Dr. Rao Sir elaborated on the key aspects of OBE, including its learner-centric approach, the importance of defining clear Program Outcomes (POs) and Course Outcomes (COs), and the methodologies for effective assessment and evaluation. Sir also highlighted the role of OBE in fostering holistic development among students and ensuring their readiness to meet global challenges.

The talk witnessed active participation from the faculty members of various departments, who engaged in interactive discussions and sought clarifications on implementing OBE in their respective disciplines. The event served as an excellent platform for knowledge sharing and collaborative learning, reflecting AITM's commitment to academic excellence and continuous improvement.

Student Achievement

The Management, Administrator, Principal, and Staff members of Angadi Institute of Technology and Management(AITM), Belagavi Congratulate our Computer Science and Engineering students for excelling in their Final Examination. Congratulations on your well-deserved success.

Faculty Achievement

Dr. Dhanashree Kulkarni, Head of the Department of Computer Science and Engineering (CSE) & Dean Academics, AITM, on being recognized as a Research Supervisor under Visvesvaraya Technological University (VTU), Belagavi. This prestigious recognition reflects Madam's dedication to academic excellence, research contributions, and commitment to mentoring future scholars in the field of Computer Science and Engineering. As a Research Supervisor, she will play a pivotal role in guiding and shaping innovative research endeavors, further enhancing the research ecosystem at AITM.

Faculty Achievement

Angadi Institute of Technology and Management (AITM), Belagavi, takes immense pride in congratulating Dr. Dhanashree Kulkarni, Head of the Department of Computer Science and Engineering (CSE) & Dean Academics, AITM, for being selected among 30 participants across India for the prestigious Women in Space and Allied Science Leadership Program (WisLP). The Department of Science and Technology (DST), Government of India, New Delhi, in collaboration with the British Council, is organizing this four-day leadership training program at IIT Indore. The selection was based on academic and research achievements, highlighting

their exemplary contributions to their respective fields.

The WisLP initiative aims to empower Indian women scientists and academicians by enhancing their leadership, decision-making, and managerial skills, enabling them to excel in their professional endeavours and contribute significantly to the advancement of science and technology.

Faculty Achievement

Dr.Dhanashree.Kulkarni, Head of the Computer Science department at Angadi Institute of Technology and Management, Belagavi, successfully participated in the Women in Space and Allied Sciences Leadership Programme (WiSLP) at IIT Indore from February 18-21, 2025. Organized by the WISE-KIRAN Division, Department of Science and Technology, in collaboration with the British Council under UKIERI, the workshop aimed to empower women in space sciences.

Their participation highlights their commitment to innovation and leadership. The program featured expert sessions, networking, and knowledge-sharing on advancing women's roles in space and allied sciences.

Student Achievement

The Management, Administrator, Principal, and Staff members of Angadi Institute of Technology and Management(AITM), Belagavi Congratulate our 5th semester Computer Science and Engineering students for excelling in their Final Examination.

Student Achievement

The Management, Administrator, Principal, and Staff members of Angadi Institute of Technology and Management(AITM), Belagavi Congratulate our 3rd semester Computer Science and Engineering students for excelling in their Final Examination. Congratulations on your well-deserved success.

Student Achievement

Mr. Amogh R. S. from the Department of Computer Science and Engineering for his outstanding performance at the VTU 26th State-Level Inter-Collegiate Athletic Meet 2024-25, held at Jawaharlal Nehru National College of Engineering (JNNCE), Shivamogga, from 15th to 18th March 2025.

Mr. Amogh demonstrated exceptional athletic skills by securing:

Gold Medal – 1st Place in the 200-Meter Running Race

Bronze Medal – 2nd Runner-up in the 100-Meter Running Race

His remarkable achievements are a testament to his dedication and hard work, bringing pride to AITM and inspiring fellow students to pursue excellence in both academics and sports.
