Second Quarter E – Newsletter -2025

Head of the Institute	Message
Dr. Anand Deshpande Principal & Director, AITM	An Institute is assessed on the basis of the Academic ambiance and outcome of the system in terms of performance and achievements of the students and staff in teaching-learning, research, innovation, Placements, and results. AITM has been known for its Academic credentials coupled with holistic growth in all directions. The new generation of competent minds must imbibe knowledge and practically they should comprehend the art of balancing brilliant technical, managerial communication, and interpersonal skills, nest. The Institute has achieved a series of milestones with the help of brilliant students, dedicated staff, and encouraging Management. We promise a wonderful experience of rich Academic and Excellent facilities coupled with professional practices and blended with an affectionate concern for our Students.

Head of the Department	Message
Dr. Dhanashree Kulkarni HOD	Welcome to the Department of Computer Science and Engineering. In this department we create future computer engineers and responsible citizens. Here, a student gets the opportunity to excel in his academic activities. This is one of the very few departments where undergraduate students publish papers in international journals. At the same time, a student wishing to achieve some recognition in extra-curricular or co-curricular activities will also find the atmosphere helpful. The Department of Computer Science provides an environment to students motivating them to adopt a "want to learn" culture through state of art infrastructure. We offer the best teaching methodologies through class room and laboratory exercises and cultivate a mind-set among students to be inquisitive.

Institute Vision and Mission

Vision:

To become a premier institute committed to academic excellence and global competence for the holistic development of students.

Mission:

M1: Develop competent human resources, adopt outcome-based education (OBE) and Implement cognitive assessment of students.

M2: Inculcate the traits of global competencies (such as domain expertise, Accountability, ethics, problem solving ability, communication skills, leadership Qualities and life-long learning) amongst the students.

M3: Nurture and train our students to have domain knowledge, develop the qualities of global professionals and to have social consciousness for holistic development.

Department Vision and Mission

Vision:

To impart quality education in Computer Science and Engineering with emphasis on professional skills to meet the global challenges in IT paradigm.

Mission:

M1: Impart knowledge in current and emerging computing technologies by adopting various pedagogical approaches.

M2: Develop a conducive environment to inculcate and nurture analytical and communication skills along with societal and ethical responsibility in all professional endeavors.

M3: Enable students to be successful globally by being effective problem solvers and life-long learners.

Students excel in 24-Hour National Coding Challenge at Buildathon-2K25

The Department of Computer Science and Engineering (CSE), Angadi Institute of Technology and Management (AITM), Belagavi, are proud to announce that our students Miss Jayashree Kalloli, Mr. Girish Soodi, Mr. Anirudh Neje, and Mr. Kiran Nandani have brought laurels to the institution by securing the 5th place in the prestigious Buildathon-2K25, a 24-hour nonstop national-level coding event.

The event was organized by Channabasaveshwara Institute of Technology, Gubbi, and held on 25th and 26th April 2025. The competition witnessed enthusiastic participation from talented coders across the country, with challenging problem statements designed to test innovation, problem-solving, and coding excellence.

Our students demonstrated exceptional skill, teamwork, and resilience throughout the event and were felicitated with a Memento and a Cash Prize in recognition of their outstanding performance.

Faculty Achievement

Dr. Dhanashree Kulkarni, Dean Academics and Head of the Department of Computer Science and Engineering, being selected for the prestigious IEEE Fellowship for the Intelligent Transportation Systems (ITS) WIE/YP Research Forum.

The forum is scheduled to be held in Paris, France, from June 25th to 27th, 2025. Dr. Dhanashree Kulkarni has been awarded this esteemed fellowship in recognition of her innovative project titled "Empowering the Future: An Inclusive Webinar and Video Translation Series for YP/W in ITSS."

She will be presenting her project at the Research Forum in Paris on 25th June 2025. This achievement not only highlights her outstanding

contributions to the field of Intelligent Transportation Systems but also brings great honor and pride to AITM at the international level.

Parents Meet

The Department of Computer Science and Engineering at Angadi Institute of Technology and Management (AITM), Belagavi, successfully organized a Parents Meet on May 3, 2025, at the AITM Seminar Hall. The event was aimed at strengthening the partnership between the institution and parents by fostering open communication regarding the academic performance and overall development of students. The session commenced with a warm welcome address by Prof. Sonam Bhandurge, Assistant Prof., CSE. Dr. Dhanashree Kulkarni, Head of the Department of Computer Science and Engineering and Dean Academics, AITM delivered an informative presentation, providing a comprehensive overview of the department, its vision, and its mission. Madam highlighted the remarkable achievements of students in academics, technical competitions, and extracurricular activities. In addition, Dr. Kulkarni emphasized the department's various initiatives aimed at holistic student development, including workshops, industrial visits, guest lectures, and skill development programs. She also shared insights into the academic performance and overall progress of students for the academic year 2024–25.

The Parents Meet concluded with an engaging interactive session where parents actively shared their feedback and expressed appreciation for the department's consistent efforts in nurturing the students. The faculty members addressed their queries and assured them of continued support to ensure the academic and professional growth of the students.

Faculty Achievement

Angadi Institute of Technology and Management (AITM), Belagavi, is proud to announce that the proposal for the ATAL Faculty Development

Program (FDP) titled "Exploring the Impact of Artificial Intelligence on Healthcare and Future Challenges" has been successfully accepted by AICTE Training and Learning (ATAL) Academy A grant of ₹3.5 lakhs has been sanctioned to conduct this prestigious program. The FDP will be coordinated by Dr. Dhanashree Kulkarni, HOD, CSE & Dean Academics and co-coordinated by Dr. Anand Deshpande, Principal and Director of AITM.

The program aims to explore the transformative role of Artificial Intelligence in the healthcare sector and address emerging future challenges. The Management, Principal, and Staff of AITM extend their hearty congratulations to the coordinators and wish them success in organizing a fruitful and impactful FDP.

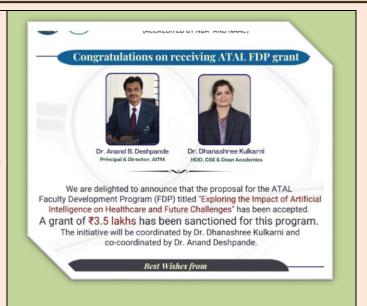

Students Achievement

The Department of Computer Science and Engineering, Angadi Institute of Technology and Management (AITM), Belagavi, proudly announces the outstanding achievement of its students at the prestigious Belagavi Buildathon Open Project Showcase organized by the Comed Kares Innovation Hub.

The team comprising Mr. Nikhil P, Ms. Jayashree K, and Mr. Anirudh N secured the First Place for their exemplary project presentation and innovation.

The Second Place was jointly secured by two teams:
• Mr. Basavraj D., Ms. Nisarga, and Mr. Anikethan Joshi,
• Mr. Bharat Noolvi, Ms. Siumya M., Mr. Shivprasad B., and Mr. Girish H.

The teams were honored with cash prizes of ₹5,000, ₹3,500, and ₹3,500, respectively, recognizing their creativity, technical prowess, and excellence in project development.

Faculty Achievement

Mr. Manjunath Patil, Assistant Professor, Department of Computer Science and Engineering, emerged as the Winner in the Men's Doubles Category at the Belgaum District Badminton Tournament held recently.

The tournament was organized by the Ajay Asundi Badminton Academy at the Corporation Stadium, Ashok Nagar, Belagavi, and witnessed enthusiastic participation from skilled players across the district.

Mr. Manjunath Patil's exceptional performance and dedication to the sport were instrumental in clinching the title, bringing laurels to the institution.

Student Achievement

Mr. Manikant Kadlennavar, a 4th semester student from the Department of Computer Science and Engineering, Angadi Institute of Technology and Management (AITM), Belagavi, has secured First Prize in the BUG HUNT event organized by VSMSRKIT College, Nipani.

Student Achievement

Guruprasad Ratnoji, Akhilesh Pradhan, Omkar More, and Ramsai Reddy of CSE department for securing the Second Prize in the Hackathon event conducted at VSMSRKIT College, Nipani. This remarkable achievement reflects the students' technical proficiency, innovative thinking, and collaborative spirit. Competing against several teams from reputed institutions, our students demonstrated exceptional problem-solving skills, creativity, and technical expertise, which earned them this well-deserved recognition.

Faculty Achievement

AITM Management honored Dr. Dhanashree Kulkarni, Dean Academics and Head of the Department of Computer Science and Engineering, on June 16, 2025, in recognition of her selection for the prestigious IEEE Fellowship for the Intelligent Transportation Systems (ITS) WIE/YP Research Forum, to be held in Paris, France, from June 25 to 27, 2025. Management honored Dr.Dhanashree Kulkarni for her innovative project idea, which earned her this esteemed international recognition. As a token of appreciation, Madam was presented with an amount of ₹25,000/- by the Management in support of her participation at the global forum. The felicitation ceremony was graced by Dr. Spoorti Angadi Patil, Director, SAEF, and Dr. Anand Deshpande, Principal & Director, AITM, who lauded her contributions to research and academic excellence.

International Yoga Day Celebration

Angadi Institute of Technology and Management (AITM), Belagavi, celebrated International Yoga Day with great enthusiasm under the banner of the Women's Cell.

The session aimed to promote physical and mental well-being among faculty and students through the practice of yoga and mindfulness.

The resource persons for the event were Dr. Dhanashree Kulkarni, Head of the Department of Computer Science and Engineering and Dean Academics, AITM, and Prof. Sonam Bhandurge, Assistant Professor, Department of Computer Science and Engineering, AITM. Both highlighted the importance of incorporating yoga into daily life to maintain a healthy mind-body balance, especially in today's fast-paced world.

Faculty Achievement

Prof. Priyanka Pujari and Prof. Sonam Bhandurge, Assistant Professors in the Department of Computer Science and Engineering, have been selected for the prestigious ACM-W India Grad Cohort for Indian Women in Research. The event is scheduled to be held at IIT Kanpur on 6th and 7th July 2025.

The ACM-W India Grad Cohort is a nationally recognized initiative aimed at supporting and mentoring women pursuing research careers in computing. It provides an excellent platform for participants to engage with eminent researchers, share their research journeys, and receive valuable guidance on academic and professional growth.

CONGRATULATIONS

Selected for ACM-W India Grad Cohort 20

Prof. Priyanka Pujari
Assistant Prof. Dept. of CSE, AITM

Prof. Sonam Bhandurge
Assistant Prof. Dept. of CSE, AITM

Congratulations on being selected for the **ACM-W India Grad Cohort** for **Indian Women in Research**, to be held at IIT Kanpur on 6th and 7th July 2025. This is a prestigious opportunity to connect with leading researchers and peers nationwide, aimed at empowering women in computing research.

...shing you both great learning and success ahead!
