Department of Computer Science and Engineering

Third & Fourth Quarter E – Newsletter -2025

Head of the Institute	Message
 Dr. Anand Deshpande Principal & Director, AITM	An Institute is assessed on the basis of the Academic ambience and outcome of the system in terms of performance and achievements of the students and staff in teaching-learning, research, innovation, Placements, and results. AITM has been known for its Academic credentials coupled with holistic growth in all directions. The new generation of competent minds must imbibe knowledge and practically they should comprehend the art of balancing brilliant technical, managerial communication, and interpersonal skills, nest. The Institute has achieved a series of milestones with the help of brilliant students, dedicated staff, and encouraging Management. We promise a wonderful experience of rich Academic and Excellent facilities coupled with professional practices and blended with an affectionate concern for our Students.
Head of the Department	Message
 Dr. Dhanashree Kulkarni HOD	Welcome to the Department of Computer Science and Engineering. In this department we create future computer engineers and responsible citizens. Here, a student gets the opportunity to excel in his academic activities. This is one of the very few departments where undergraduate students publish papers in international journals. At the same time, a student wishing to achieve some recognition in extra-curricular or co-curricular activities will also find the atmosphere helpful. The Department of Computer Science provides an environment to students motivating them to adopt a “want to learn” culture through state of art infrastructure. We offer the best teaching methodologies through class room and laboratory exercises and cultivate a mind-set among students to be inquisitive.

Institute Vision and Mission

Vision:

To become a premier institute committed to academic excellence and global competence for the holistic development of students.

Mission:

- M1: Develop competent human resources, adopt outcome-based education (OBE) and Implement cognitive assessment of students.
- M2: Inculcate the traits of global competencies (such as domain expertise, Accountability, ethics, problem solving ability, communication skills, leadership Qualities and life-long learning) amongst the students.
- M3: Nurture and train our students to have domain knowledge, develop the qualities of global professionals and to have social consciousness for holistic development.

Department Vision and Mission

Vision:

To impart quality education in Computer Science and Engineering with emphasis on professional skills to meet the global challenges in IT paradigm.

Mission:

- M1: Impart knowledge in current and emerging computing technologies by adopting various pedagogical approaches.
- M2: Develop a conducive environment to inculcate and nurture analytical and communication skills along with societal and ethical responsibility in all professional endeavors.
- M3: Enable students to be successful globally by being effective problem solvers and life-long learners.

Talk on “Shaping Your Career in the Age of AI”

Guest Talk on “Shaping Your Career in the Age of AI” by Microsoft Expert Mr. Chetan Mutalik Desai The Department of Computer Science and Engineering, Angadi Institute of Technology and Management (AITM), Belagavi, in association with the AITM Training and Placement Cell and AITM ACM Chapter, organized a Guest Talk on “Shaping Your Career in the Age of AI” for the 5th and 7th semester students on Saturday, 23rd August 2025 at 10:30 a.m. in the AITM Auditorium.

The resource person for the session was Mr. Chetan Mutalik Desai, Principal Product Manager at Microsoft, Washington, USA with two decades of experience in identity, security, and enterprise software, with significant contributions at Persistent Systems and Microsoft. In his insightful talk, he highlighted the impact of Artificial Intelligence on careers and emphasized

adaptability, continuous learning, and innovation as key skills for future professionals.

Faculty Achievement

Congratulations to our Wipro-Certified faculty!! We are proud to share that our esteemed faculty members Prof. Sonam Bhandurge, Prof. Priyanka Pujari, and Prof. Priyanka Sheelavantar from the Department of CSE at Angadi Institute of Technology and Management (AITM), Belagavi have successfully completed the Wipro-TalentNext Advanced Technology Program on Artificial Intelligence and Machine Learning (AI/ML) held from September 1 to 5, 2025. Their dedication and commitment to advancing in cutting-edge technologies is truly commendable, and we sincerely appreciate their valuable contribution to the success of this transformative program.

Faculty Achievement

Angadi Institute of Technology and Management (AITM), Belagavi, is proud to congratulate Dr. Dhanashree Kulkarni, Head of the Department of Computer Science and Engineering (CSE) & Dean Academics, AITM, on being recognized as a Research Supervisor under Visvesvaraya Technological University (VTU), Belagavi. This prestigious recognition reflects Madam's dedication to academic excellence, research contributions, and commitment to mentoring future scholars in the field of Computer Science and Engineering. As a Research Supervisor, she will play a pivotal role in guiding and shaping innovative research endeavors, further enhancing the research ecosystem at AITM.

Students Achievement

Students of the 3rd Semester, Department of Computer Science & Engineering, Angadi Institute of Technology and Management (AITM), Belagavi, secured the General Championship in both Indoor and Outdoor Games for the academic year 2024–25, earned during their First Year.

ATAL FDP

Angadi Institute of Technology and Management (AITM), Belagavi, successfully organized an AICTE–ATAL Sponsored One Week Offline Faculty Development Program on “Exploring the Impact of Artificial Intelligence on Healthcare and Future Challenges.” The programme was inaugurated in the presence of Chief Guest Dr. Damodar Reddy Edla, Professor & Dean (Students Welfare), NIT Goa, Dr. Anand B. Deshpande, Principal & Director, AITM, Dr. Dhanashree Kulkarni, ATAL FDP Coordinator, and Prof. Vishalkirithi Patil, Institute FDP Coordinator.

The FDP brought together distinguished resource persons such as Dr. Damodar Reddy Edla (NIT Goa), Dr. Anil Vuppala (IIIT Hyderabad), Dr. Rahee Walambe (Symbiosis Centre for Applied AI), along with several experts from NITs, IISc, and industry. The expert sessions covered diverse and impactful themes such as AI in healthcare and recent trends, security and privacy issues in AI, AI applications in speech pathology, evaluating AI model efficacy, challenges in AI healthcare applications, healthcare analytics application development using advanced ML models, emerging AI techniques and innovations in healthcare.

The valedictory session featured a motivating address by Dr. T. Ram Prabhu, Scientist ‘E’ & Joint Director, DRDO Bengaluru, who spoke on funding grants and research opportunities in

AI/ML. This was followed by participant feedback, certificate distribution, and concluding remarks.

Project Exhibition

The Department of Computer Science and Engineering at Angadi Institute of Technology and Management (AITM), Belagavi, organized the Capstone Project Exhibition – 2025 on 5th December 2025 at the CSE Department. The exhibition provided a platform for final-year students to present their innovative and impactful capstone projects, showcasing their technical expertise and problem-solving abilities.

The event was inaugurated in the presence of Dr. Anand B. Deshpande, Principal & Director, AITM, along with Dr. Dhanashree Kulkarni, HoD, Department of Computer Science and Engineering & Dean Academics, AITM, Prof. Priyanka Pujari, Associate Dean, Prof. Gautam Dematti, Project Coordinator CSE and the faculty members of the CSE Department.

To evaluate the student projects and offer expert guidance, Dr. Kuldeep Sambrekar, Professor, Department of Computer Science and Engineering, KLS Gogte Institute of Technology, Belagavi, and Dr. Ranjana Battur, Assistant Professor, Department of Computer Science and Engineering, KLS Gogte Institute of Technology, Belagavi, were invited as esteemed Judges for the event. Their valuable insights, detailed evaluation, and constructive feedback added significant value to the exhibition and motivated students to strive for excellence.

As part of the concluding ceremony, the winners of the Capstone Project Exhibition were felicitated with trophies, acknowledging their outstanding work, creativity, and innovation. The Department of CSE extends its sincere gratitude to the Management of SAEF and Dr. Anand B. Deshpande, Principal & Director, AITM, for their continuous support, encouragement, and guidance in successfully organizing the event.

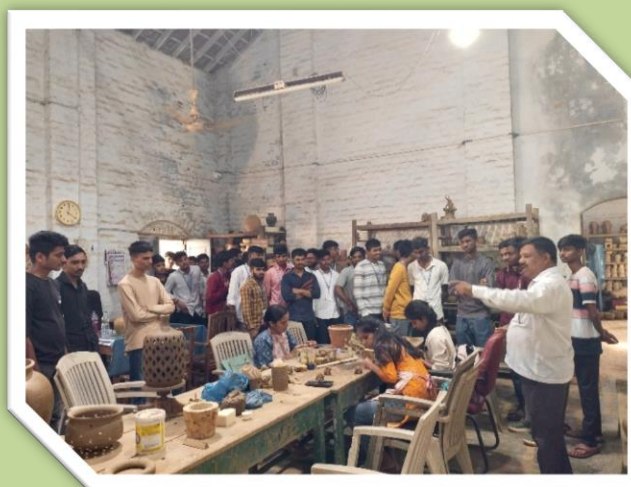

Educational Visit

The Department of Computer Science and Engineering, Angadi Institute of Technology and Management (AITM), Belagavi, organized an insightful and enriching visit to the Central Village Pottery Institute, Khanapur, as part of the AICTE and Social Connect Responsibility (SCR) initiative.

The visit aimed to provide students with meaningful exposure to rural craftsmanship, traditional pottery techniques, and community-driven livelihood practices. Students actively interacted with artisans and gained a firsthand understanding of indigenous skills, sustainable practices, and the cultural significance of pottery in rural development.

The team of faculty members—Mr. Vilas Jarali, Mr. Vidyadhar Hanji, Mr. Padiyappa, Mr. Vivek Koparde, Mrs. Upama Kulkarni, and Ms. Priyanka Shirodkar—accompanied the students throughout the visit and efficiently coordinated the activities, ensuring a productive and engaging learning experience.

Industrial Visit

The Department of Computer Science and Engineering, Angadi Institute of Technology and Management (AITM), Belagavi, successfully organized an industrial/academic visit to IIIT Hyderabad as part of its commitment to experiential learning and academic enrichment.

A group of around 70+ CSE students, accompanied by faculty members Mr. Manjunath Patil, Mr. Vidyadhar Hanji, Ms. Priyanka Shirodkar, and Mrs. Lavanya, visited the prestigious International Institute of Information Technology (IIIT), Hyderabad on 1st December, 2025.

The visit provided students with valuable exposure to the innovation and research ecosystem within the IIIT-H campus. Through interactive sessions and guided visits, students gained deeper insights into emerging technologies, cutting-edge research labs, development centres, startup initiatives, and entrepreneurial culture, bridging the gap between academic learning and real-world applications.

Guest Talk: Building Your Roadmap – Setting Goals After Graduation

The Department of Computer Science and Engineering, Angadi Institute of Technology and Management (AITM), Belagavi, successfully organized an impactful Guest Talk on “Building Your Roadmap: Setting Goals after Graduation” on 5th December 2025 for Second Year CSE students.

The session was delivered by Mr. Ajeet Pattar, Founder & CEO, Infynow Software Solutions, Belagavi, who shared valuable insights on career planning, industry expectations, skill development, and long-term goal setting. Students gained practical guidance on designing structured 1-year, 3-year, and 5-year career roadmaps, enhancing employability, and building a strong professional identity while maintaining mental well-being.

The event was coordinated by Mrs. Upama Kulkarni, Mrs. Avanti Patil, Mrs. Priyanka Sheelavantar, and Mr. Santosh Patil, Assistant Professors, Department of CSE under the able guidance of Dr. Dhanashree Kulkarni, HoD, CSE and Dean Academics, AITM.
