Department of Computer Science and Engineering

First Quarter E – Newsletter -2026

Head of the Institute	Message
 Dr. Anand Deshpande Principal & Director, AITM	An Institute is assessed on the basis of the Academic ambience and outcome of the system in terms of performance and achievements of the students and staff in teaching-learning, research, innovation, Placements, and results. AITM has been known for its Academic credentials coupled with holistic growth in all directions. The new generation of competent minds must imbibe knowledge and practically they should comprehend the art of balancing brilliant technical, managerial communication, and interpersonal skills, nest. The Institute has achieved a series of milestones with the help of brilliant students, dedicated staff, and encouraging Management. We promise a wonderful experience of rich Academic and Excellent facilities coupled with professional practices and blended with an affectionate concern for our Students.
Head of the Department	Message
 Dr. Dhanashree Kulkarni HOD	Welcome to the Department of Computer Science and Engineering. In this department we create future computer engineers and responsible citizens. Here, a student gets the opportunity to excel in his academic activities. This is one of the very few departments where undergraduate students publish papers in international journals. At the same time, a student wishing to achieve some recognition in extra-curricular or co-curricular activities will also find the atmosphere helpful. The Department of Computer Science provides an environment to students motivating them to adopt a “want to learn” culture through state of art infrastructure. We offer the best teaching methodologies through class room and laboratory exercises and cultivate a mind-set among students to be inquisitive.

Institute Vision and Mission

Vision:

To become a premier institute committed to academic excellence and global competence for the holistic development of students.

Mission:

- M1: Develop competent human resources, adopt outcome-based education (OBE) and Implement cognitive assessment of students.
- M2: Inculcate the traits of global competencies (such as domain expertise, Accountability, ethics, problem solving ability, communication skills, leadership Qualities and life-long learning) amongst the students.
- M3: Nurture and train our students to have domain knowledge, develop the qualities of global professionals and to have social consciousness for holistic development.

Department Vision and Mission

Vision:

To impart quality education in Computer Science and Engineering with emphasis on professional skills to meet the global challenges in IT paradigm.

Mission:

- M1: Impart knowledge in current and emerging computing technologies by adopting various pedagogical approaches.
- M2: Develop a conducive environment to inculcate and nurture analytical and communication skills along with societal and ethical responsibility in all professional endeavors.
- M3: Enable students to be successful globally by being effective problem solvers and life-long learners.

Student Achievement

Angadi Institute of Technology and Management (AITM), proudly congratulates Mr. Om Manolkar – CSE, 7th Semester student on being selected as University Blues and representing Visvesvaraya Technological University (VTU) in the All India South Zone Inter-University Football Championship 2025–26.

The championship was held at Woxsen Sports Academy, Hyderabad, from 5th to 11th January 2026.

Faculty Achievement

Prof. Manjunath Patil, Assistant Professor from the Department of Computer Science and Engineering, Angadi Institute of Technology and Management (AITM), Belagavi, was felicitated as SPOC for SWAYAM NPTEL at the SPOC Felicitation Event held at Indian Institute of Technology Madras on 31st January 2026.

Student Achievement

The Management, Administrator, Principal, and Staff of Angadi Institute of Technology and Management (AITM), Belagavi extend their heartfelt congratulations to our Computer Science & Engineering students for their outstanding academic performance in the 8th Semester examinations (2025–26).

Ingenious-2K26: National Level Project Exhibition

The Ingenious-2K26, a National Level Technical Project Exhibition, was successfully organized by Angadi Institute of Technology and Management (AITM), Belagavi, on March 27, 2026, at the Department of CSE. The event was conducted in association with the ACM AITM Student Chapter and centered around the theme “Social Innovation.”

The event witnessed an overwhelming response, with participation from more than 70 teams representing diploma colleges from across Karnataka, Maharashtra, and Goa. The exhibition provided a platform for budding engineers to showcase their innovative ideas and working models addressing real-world societal challenges. The inauguration ceremony was graced by Dr. Anand B. Deshpande, Principal & Director, AITM, who encouraged the participants with his inspiring words and emphasized the importance of innovation and practical learning in engineering education.

The event was convened under the guidance of Dr. Dhanashree Kulkarni, HOD, CSE & Dean Academics. Faculty coordinators Prof. Gautam Dematti and Prof. Priyanka Pujari, along with all the Staff of CSE Department, student coordinators and volunteers, who played a key role in the successful organization of the event.

The projects were evaluated by a distinguished panel of judges including Dr. G. R. Udupi (Professor, ECE), Dr. Veena Deshmukh (Professor, AI & DS), Dr. Sriram Kulkarni (Associate Professor & Head, ECE), Dr. Pooja Angolkar (HoD, R & A), Prof. Sadanand Doddmani (Associate Professor, Mechanical Engineering), Mr. Gajendra Deshpande, Representative of Belagavi ACM Chapter and Managing Director of Theta Dynamics and Prof. Vishalkirithi Patil (Assistant Professor, ECE). The judges appreciated the creativity and technical depth of the projects and were felicitated during the valedictory function.

Projects were evaluated based on relevance to the theme, originality, innovation, and presentation. Winners received cash prizes and trophies, and all

participants received certificates in recognition of their efforts.
