Department of Computer Science and Engineering

Second Quarter E – Newsletter -2026

Head of the Institute	Message
 Dr. Anand Deshpande Principal & Director, AITM	An Institute is assessed on the basis of the Academic ambience and outcome of the system in terms of performance and achievements of the students and staff in teaching-learning, research, innovation, Placements, and results. AITM has been known for its Academic credentials coupled with holistic growth in all directions. The new generation of competent minds must imbibe knowledge and practically they should comprehend the art of balancing brilliant technical, managerial communication, and interpersonal skills, nest. The Institute has achieved a series of milestones with the help of brilliant students, dedicated staff, and encouraging Management. We promise a wonderful experience of rich Academic and Excellent facilities coupled with professional practices and blended with an affectionate concern for our Students.
Head of the Department	Message
 Dr. Dhanashree Kulkarni HOD	Welcome to the Department of Computer Science and Engineering. In this department we create future computer engineers and responsible citizens. Here, a student gets the opportunity to excel in his academic activities. This is one of the very few departments where undergraduate students publish papers in international journals. At the same time, a student wishing to achieve some recognition in extra-curricular or co-curricular activities will also find the atmosphere helpful. The Department of Computer Science provides an environment to students motivating them to adopt a “want to learn” culture through state of art infrastructure. We offer the best teaching methodologies through class room and laboratory exercises and cultivate a mind-set among students to be inquisitive.

Institute Vision and Mission

Vision:

To become a premier institute committed to academic excellence and global competence for the holistic development of students.

Mission:

- M1: Develop competent human resources, adopt outcome-based education (OBE) and Implement cognitive assessment of students.
- M2: Inculcate the traits of global competencies (such as domain expertise, Accountability, ethics, problem solving ability, communication skills, leadership Qualities and life-long learning) amongst the students.
- M3: Nurture and train our students to have domain knowledge, develop the qualities of global professionals and to have social consciousness for holistic development.

Department Vision and Mission

Vision:

To impart quality education in Computer Science and Engineering with emphasis on professional skills to meet the global challenges in IT paradigm.

Mission:

- M1: Impart knowledge in current and emerging computing technologies by adopting various pedagogical approaches.
- M2: Develop a conducive environment to inculcate and nurture analytical and communication skills along with societal and ethical responsibility in all professional endeavors.
- M3: Enable students to be successful globally by being effective problem solvers and life-long learners.

Parents Meet

The Department of Computer Science and Engineering, Angadi Institute of Technology and Management (AITM), Belagavi, successfully conducted a Parent-Teacher Meet for the Second Year CSE students on 23rd May 2026.

The meet provided a meaningful platform for interaction between parents and faculty members to discuss students' academic performance, attendance, progress, and overall development. Parents were also briefed about departmental activities, learning initiatives, and opportunities available for holistic student growth.

International DSA Bootcamp

The month-long bootcamp was conducted from 1st May to 30th May 2026, during which around 360 students from AITM successfully completed the program and earned their International Bootcamp Completion Certificates, enhancing their technical knowledge and industry-ready skills.

In recognition of our valuable support and successful coordination of this initiative, AITM was honored with a Certificate of Achievement as the Host Institution.

This initiative was headed by Dr. Dhanashree Kulkarni, Dean Academics & Head of the Department of Computer Science & Engineering, along with the faculty coordinators, Mr. Gautam Dematti and Mrs. Priyanka Pujari, Assistant Professors, Department of Computer Science & Engineering, AITM, whose dedicated efforts and coordination ensured the successful execution of the bootcamp.
